## **Customer Reviews**

Better Homes and Gardens does it again with this amazing book. It is full of brightly colored ideas, ornaments, samplers and more! I like the snowflake designs the most. It does have other different things, like racing, fishing and more, but I prefer the Christmas ideas. Each page I turn, I am delighted at the bright colors and easy to ready graphs.

A Cross Stitch Christmas: Handmade Treasures is a wonderful pattern book filled with easy to follow instructions and beautiful, color pictures which make working on a project fun and easy. I highly recommend this book to those who enjoy cross stitching.

instructions are easy to follow and some good ideas.

Nice patterns.

Book and patterns were adequate.

Very nice pattern book.

received on time and as described.

I second the previous review. Outstanding work even for Better Homes and Gardens. Everything Mary said, I second and I am a collector as is she. I was particularly grateful to see the addition of the Hardinger ornaments, and the men's gifts.
