Barron's Firefighter Candidate Exams, 8th Edition (Barron's Firefighter Exams)

Synopsis

This revised and updated manual presents practice exams similar to those given to firefighter candidates in cities and communities across America. The book opens with a description of the firefighter's role, the important terminology he or she must understand, and the physical, medical, and written tests that every candidate must be able to pass for qualification. General advice and information for prospective firefighters includes physical fitness standards, and learning to recognize and correct weaknesses in visualization, spatial orientation, and more. A brand-new chapter in this edition covers mechanical reasoning, which today's firefighter must be able to command. Features that follow include:

- A preliminary diagnostic exam
- Information on revised exams (CPAT)
- Advice on what a successful firefighter candidate should do to prepare before taking the exam
- Six full-length practice exams
- All test questions answered and explained

Timely shipping for the book and was as described. The price was good too.This is the perfect study guide for the firefighter entrance exams and would recommend to those interested in the entering the Fire Department.

Not all the information was as accurate as the questions on the test here in Maui, Hawaii but sure did help.....

exc

Help with my test, still waiting on my results...
