as president of the Consortium for Computing Sciences in Colleges. He completed a bachelor's, master's, and Ph.D. in computer science from Wayne State University.

Old book, but required by the course instructor.

This was the right textbook I needed for my college course.

What can I say? It's a text book. I got it and I have work to do. Simple as that.

Quite a good book, but ridiculously expensive

Great job getting back to me as I expected I got the book in condition described and at a reasonable price

I got it. Nice
