Customer Reviews

Wow!! Poetic and one helluva ride! Cole, I don't know how you come up with the story line & plots for your books, but please keep on doing it! I need this in my life. Your books take me away further than Calgon ever could! 5 stars isn't enough for this one! They need to up the rating to at least 7 stars!

Mr. Weaver, where did you get this character from, the poetry of his words kept me turning the page.. also I'd like to ask for a Nolan for Xmas and I don't celebrate... kudos...

I loved this book. It was very detailed and explicit. I wonder what's going to happen between him and Juanesia. This whole situation with him, Valerie and her husband done pissed me off. Just because your duck behind got caught that don't mean you yell rape. She ainee right for that.

I hope you have a partner or a toy after you read this book - sheeshhhhhh David Weaver paints a trail that leads you to your bedroom

Ever read a book so detailed that you actually felt the guybick, suck, and make your body convulse ? Well this is it, I can't wait to start book #2. Must read to say the least!!

Lol I'm mad with the character Nolan. I want more and better for him but he puts himself in stupid situations. He's feeling way too powerful. I gotta read what happens

Awesome read. Read it in one day . quite the page turner. Got me in the mood for some oral sex. Had to make a call lol. Wasn't expecting the ending though . will be purchasing the 2nd book . love sequels. Suggest u buy em both

The book started off slow it was really hard for me to get in to I was on page 20 for a week so tonight I said I was going to read some of it to see if it will get interesting but to my surprise it did... Its a lot of dialogue instead of telling the story but the story comes and I liked it about to start the second series
