Indianapolis: A Young Professional's Guide

Synopsis

This new guide to Indianapolis for the young (or young at heart) professional answers the following questions: where can one obtain leadership training in Indy? Where can someone get free wi-fi access with a great cup of coffee, and where can one learn about starting a business, or connecting philanthropically. This nearly 200 page guide contains 40-plus categories of information, clubs, groups and organizations for those new to Indianapolis or just want to learn more about how to connect to this great city.

Customer Reviews

Dr. Erin Albert is an entrepreneur, writer, assistant professor, and student. She is the founder of two companies (Pharm, LLC and Yuspie, LLC), and is the Director of the Ribordy Center for Community Practice Pharmacy at Butler University College of Pharmacy and Health Sciences. Dr. Albert teaches throughout the curriculum, including Introduction to Pharmacy Practice, Business and Personnel Management in Pharmacy Practice, an elective on Entrepreneurship in Health Care and Life Sciences, and Pharmacy Law. Erin has developed and written several books on pharmacy practice, entrepreneurship, and regional community development for central Indiana.

If you are new to Indy or have lived there your whole life, "Indianapolis: A Young Professional's Guide" by Erin Albert is a must have book! Erin has thoughtfully compiled resourceful information you can use to find a great restaurant, meet other young professionals, learn more about professional organizations, find media information and more. Erin has put this and more information

into one easy-to-use guide book. This guidebook makes a great gift for clients, friends, family and anyone who wants resourceful, useful information about Indy at their fingertips. The "Indianapolis: A Young Professional's Guide" by Erin Albert is a must have for every Indianapolis resident's library. I highly recommend it. Bridget Gurtowsky Gurtowsky Graphics LLC

If you have ever asked yourself, "How do I meet people here?" then this book is for you. I don't live in Indianapolis, but if I did, this book would be my Bible. This book isn't a narrative--it's resource material, a fairly exhaustive listing of just about everything that young(ish) single people looking to connect (with other singles, with anyone, with the city) might be interested in. Where can I see cool movies? What coffee shops have wi-fi? How do I volunteer for an organization that represents a cause I value? Where can I get the best bagel/bottle of wine/steak/organic produce in town? [...] All the cities at the bottom of the Forbes.com "livability for singles" list should publish a book just like this.

This is a great reference book for those interested in getting connected in Indianapolis. The author did a good deal of homework that would give the reader a nice headstart to getting involved in Indianapolis.
