This book became a life saver in Dublin! We were given a Dublin Map in Dublin that didn't have all the streets and side streets on it. We got so lost trying to find everything! This book we had on us and it has maps of Dublin in it. So I opened it up and it had all the streets & side streets unlike the map we got in Dublin. We were able to use it & find where we were going perfectly!

This was for my son and he would love to travel to Ireland so this book gives him a lot of ideas

Exactly the product I was looking for at a reasonable price with excellent service from the seller.

I always use DK Eyewitness Travel Guides whenever I go on vacation. I love the photographs and the information they provide.

Very useful in getting prepared for a trip, and handy to have while traveling.

Always love the DK guides

Good

great Travel guide and exactly what I wanted. Includes suggested driving routes, hotels, places of interest to visit, even maps. Will use it extensively!
