Customer Reviews

I found it using too many unusual ingredients and most not to my old fashioned taste.

Easy to follow and amend meals for me. I always like recipes that sound good to me and this little book is full of neat things.

There are recipes for foods I am not supposed to eat - just a few I can use.

There are a few really great easy recipes

Very nice and yes I do like it! :)

This book is the best for someone like me that lives alone, the recipes are absolutely delicious.

Not for one
