# 2016 Horse Yoga Wall Calendar

## Synopsis

Cave paintings reveal that even the earliest equines practiced at least a primitive form of yoga. It is generally accepted that the modern domesticated horse can credit its incredible speed and agility to the benefits of ancestral yoga poses passed on over the millennium. This incredible calendar features vivid color photographs of horses in both contemporary and classic poses. The large format wall calendar includes six bonus months of July through December 2015; large grids with ample room for jotting notes; moon phases; U.S. and international holidays.

## Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.

I bought this as a gag gift for our white elephant exchange. It is a great calendar! Since most of my friends love Yoga, it went perfect for the exchange.

My daughter loved it.

Pretty cute. Granddaughter will get a lot of laughs from this calendar.

Cute idea!
