Cookie Indulgence: 150 Easy Cookie Recipes

Synopsis

Warm from the oven and just waiting to accompany a glass of cold milk or a cup of steaming cocoa, nothing smells better than the aroma of freshly baked cookies. With *Cookie Indulgence*, you'll never run short on inspiration for quick and delicious cookies, bars and frostings to welcome friends and family home or to give as tasty gifts. Browse through the pages of *Cookie Indulgence* to find just the right treat. With 150 favorites from Chocolate Chip or Oatmeal cookies to No-bake, Refrigerator and Christmas cookies, there is sure to be a recipe that will please even the most rigorous taste test your family can muster. If you're looking for something unique, make sure to check out the Unusually Odd cookie section for recipes with ingredients you won't find on the average baking supply shelf. So, sit back and relax with a good cookie while you scan the recipes and tips. Your next cookie baking session is sure to please everyone with goodies for gift giving, church bake sales or snacks for your family.

Customer Reviews

Nicely indexed, this book would be great if it were a little better edited. I won't grouse about pictures. A few recipes had accompanying pictures, but I understand pictures for each recipe would add an awful lot to price and file size. I give this 3 stars for the lack of details in several recipes and their directions. And in a recipe for chocolate frosting there is an ingredient I've never heard of. I guess it's some kind of shortening, but what on earth is spry? There's also a recipe calling for 1 1/1 of some ingredient (I forget what) . Above that on the list is 1 1/2 cup of something else so it's probable the 1 1/1 should be 1 1/2. But there are many recipes with no indication of how much you'll end up with. One or two leave out the oven heat setting or the baking time. In short, this is a book for the experienced baker, or for the novice willing and able to toss out any mistakes. It's a free download. If you're adventurous, check it out, especially the chapter on unusual cookies. Bacon cookies win the prize. No mention of spry there though.

I loved the cover of this eBook and I love quite a few types of cookies so decided to give it a try. The author starts out with a detailed section of the do's and don'ts of cookie baking, including the best way to send cookies as gifts and which ones transport easily in the mail etc. That was all good. I did find most of the recipes rather ordinary and predictable though, nothing much new here with new flavoring ideas etc... And as is the case with most cookie recipes, most of these contained large quantities of sugar, something that I would definitely be cutting down on, if I go ahead and make any of these recipes. The unusual cookie section was a bit weird. Making breakfast cookies with cooled strips of bacon and cornflakes in them??? NOT. Pork and Bean Bars...yikes, that one actually made me feel nauseated. Overall though, a BIG selection of traditional type cookies and some that I'm sure will appeal to any cookie lover. Worth a look but it wasn't really a collection I plan to use for my own baking.

The cookies all sound wonderful but the instructions are poor. I think that a novice would find the instructions very confusing. In many recipes there is no direction as to how to get the dough to the cookie sheet. Just mix and bake. No spacing advice in any of the recipes. And in one case there is a cherry cookie recipe with no cherries!

Title: Cookie Indulgence - 150 Cookie Recipes Author: Bonnie Scott Published: 9-13-2012 Publisher: Digital Services Pages: 184 Genre: Cookbooks Sub Genre: Baking Cookies, Desserts, Food & Wine ISBN: 9781479382637 ASIN: B009AUC7ZM Reviewer: DelAnne Reviewed For: NetGalley. Oatmeal No Bake Cookies, Easy No Bake Brownies, No Bake Peanut Butter Bars and

the No Bake Chocolate Crunch Bars. I used these for a last minute family get together before Halloween, the A/C was out at my house and I was beginning to think Autumn would never make an appearance. I was to provide desserts and even with the windows open it was still over 90 degrees in my kitchen. I wanted to use my stove and oven as little as possible. The other cookie recipes are equally delicious and I used many of them, but I have never made no bake cookies before and I was surprised how tasty they truly were. If cookies are your go to snack this is a must have for those late nights when it is too late to go to the store, but you really are craving an oatmeal raisin or a gooey chocolate chip. Check it out and indulge. link:

I love making cookies and I love cooking with my 10-year-old grandson. In fact, I'm teaching him how to bake cookies. Sometimes we bake at my house and sometimes we bake at his. I love that not only are the recipes all delicious, some easy and some more difficult but that there is a wide variety of types of cookies in this book. Because this book is on my Kindle and my cell phone, I always have it close at hand. Many times I have been at the grocery store and decide I want to bake cookies for dinner that night. I simply pull out my cell phone, find the recipe I want, and I have all the ingredients I want & need right there at my fingertips. The same thing applies if I go to my grandson's and we decide to bake cookies. I have the recipe right there at my fingertips. Like I said before, I love making cookies and I love my Cookie Indulgence, 150 Easy Cookie Recipes by Bonnie Scott. I received this ebook free as a member of Kindle.

What a wonderful book this is! There is an interactive table of contents and it is organized by the type of cookie, such as Oatmeal Cookies, Peanut Butter Cookies, Nut Cookies. I've been baking cookies for over 50 years and I was able to find several recipes I've never seen before and can't wait to make. I can assure you, there will be some of these cookies appearing in my Christmas cookie trays this year!

I love to buy fresh baked cookies from the bakery, but it does get expensive. So to save money I sometimes use the store bought cookie dough so that I can have that same warm gooie taste for my cookie. It normally does not taste as good. Then I received this book for free from BookBub.com and I opened it up right away. I scanned through the book and read all the tips to having a wonderful

cookie. I actually made my list went to the store and made my favorite Chocolate Chip Cookies and Sugar Cookies. My cookies came out beautiful. They were all the same size and evenly cooked through. In the beginning of the book the author shares their tips. I was able to make for the first time ever Macaroons and they were so yummy. I am going to use this book over and over again. Especially for Christmas I will be able to share my favorite recipes with all my friends and family. Thank you Bonnie Scott for such a great book, and thank you BookBub for my free book.
