Timothy Keller was born and raised in Pennsylvania, and educated at Bucknell University, Gordon-Conwell Theological Seminary and Westminster Theological Seminary. He was pastor of West Hopewell Presbyterian Church, Virginia, for nine years before founding Redeemer Presbyterian Church in Manhattan, which he started in 1989 with his wife, Kathy, and three young sons. --This text refers to the Hardcover edition.

I love Keller's practicality and theological emphasis. Great read for anyone seeking to dig deeper into Romans. As a pastor, I found this to be a great resource to equip our people to dig deeper into God's word and trust His Spirit.

Really digs down to enhance one's understanding of Paul's letter to the Romans. Keller's deep knowledge and keen insights helped me to understand this book of the Bible in a whole new way. Great for personal in-depth study or for use in a small group Bible study. I highly recommend it.

Keller always expands my understanding of passages I thought I understood. He excels in application, causing me to examine myself rather than judge others.

The most impacting part of the book was being able to have my heart exposed and affirmed. I am grateful to have read this book as I seek to grow in my walk with God. I am praying that by the gospel of God's grace I will grow in both boldness and humility. And like Paul "that God's grace will not be without effect."

This book has SERIOUSLY helped me to better understand how Romans is applicable to me!! I've read the book of Romans too many times to count and I assumed I understood everything, but this study has helped me to better grasp the truths outlined by Paul. It has helped me to better understand salvation, sanctification and what I should anticipate as a growing Christian. Praise be to God for His Word and teachers of the Word!

Not a deep book as you used to hear or read from Dr. Tim Keller, but it is a very light easy book to read every day to begin your day with God's words. The meditation part at end of every chapter helps you to think about every Romans chapter you read through your personal life.

Excellent resource. I highly recommend this book for church discussion groups. This is the most practical resource that I know of for the average Bible study leader who is not theologically trained. The Bible study leaders at my church meet up before a Bible study to read through a chapter of the this book and make discussion questions for leading our groups. I love the fact that this book helps us to focus on a Bible passage and see how it applies to our lives.

Timothy Keller is one of my favorite teachers. He explains the Apostle Paul's arguments and flow of thought clearly. I highly recommend this book. I have studied Romans before but I've not found previous study aids/commentaries as helpful as "Romans 1-7 For You". In addition to the Gospels, every disciple of Jesus needs to grasp the truth of God's word found in the book of Romans. This is

just the book to help make that happen.
