Customer Reviews

Yuu Miyazaki is the author of the light novel series The Asterisk War.

Very good however, this is the light novel not the manga as indicated.

If you are familiar with light novels and their formats, this is a typical example. The characters were better than some others I have read. The main male character was bland yet likeable. I found the fan service / harem aspects unnecessary (and intrusive), but the rest was fine.

I felt that Yuu did a great job building the world and characters. I can't wait to see how everything develops and how the mystery shopping get solved

I truly enjoyed the story.

love the series

Cant wait for more of this just love this story.
