Time Out Stockholm (Time Out Guides)

Synopsis

Strung out irresistibly over 14 islands, where Lake Mälaren joins the Baltic Sea, Stockholm's watery vistas make it Scandinavia's most beautiful city and second most visited city in Scandinavia. The fifth edition of Time Out Stockholm brings travelers the best of the city's natural beauty, its rich history, and its cool, cosmopolitan culture. Time Out's resident team helps you get the best out of Scandinavia's coolest capital, giving you the inside track on local culture plus hundreds of independent venue reviews. As well as covering visitor essentials, Time Out Stockholm has every address you'll need—from design-savvy boutiques to stunning royal palaces, plus the best of the archipelago for a break from all that Nordic chic.

Customer Reviews

All Time Out Guides are written by a team of local journalists.

This was okay, I wanted more sight-seeing information but there seems to be a lot of night club and restaurant information. I will use it but was looking for something with more historical information.
