Customer Reviews

I love getting the Odyssey cd's for the car! My children really enjoy the stories and most times I am super pleased with the portrayal of the books of the Bible and storylines. A few times I cringe when they bring up a story about a children who steals or is abused in storylines and I have to explain to my 11,7 and 5 year old that those things really do occur, but they are teachable moments. My kids are very sheltered so it is often shocking to hear about even a child who's parents are going through

a divorce. I do use those times in the Odyssey stories to tell my children about God's love for them and the redemption we all receive in Christ!!! just thought I would advise some of you like me, maybe listen to them before you just stick the cd in the car and you will be prepared for some of the topics. I do appreciate though, how the Odyssey messages from the Bible are true but kid friendly....no mention of what happened with Lot and his daughters etc. Another example, there is mention of Sodom and Gomorrah and that it was a place where there was evil in the sight of the Lord.....and doesn't mention the full spectrum of sin.Overall.....SUPER Blessed by these stories and the creators. Thank you!!

This is great series by Adventures in Odyssey. We purchased this after listening to the smaller Bible Eyewitness: Hall of Faith series. It's a great series on the dramatization of bible stories in the imagination station or Kids Radio, etc. It's a great way to present these Bible stories in a way that they will remember them. My only gripe in this review has nothing to do with AIO. had shipped this product in a padded envelope and it came damaged. sent a replacement using next day delivery. It came in a padded envelope undamaged but it would have been better had it been shipped in a box.

Kids love these! they are constantly asking to listen to them in the van.

I LOVE these CD's. The kids (ages 4 and 8) listen to them all of the time. Even the parents can enjoy these stories. A great way to have the kids listen to bible stories while we are out and about.

We love these CDs and listen to them on our long drives back and forth to school. I have to admit that after I drop the kids off I often continue to listen to the story so I can hear the end. They are biblically accurate and full of humor and action. Great GREAT buy!

Awesome set! Really brings the Bible stories to life!

I love owning this set. My boys listen to this at night before bed. I was so excited to get this for them and I look forward to listening to it with them as well.

My daughter absolutely loves it!! She is learning about the Bible and the acting and concepts are so creative and relatable to her.
