# The Dating Tutor: Matt's Story

## Synopsis

~Editor's Pick~Matt Wendell is perfectly content in his single life. That is until Sasha walks into it. Being the cousin of his best friend Alec, Sasha is off limits. She's the one girl he can't have, and the only one he wants. Even if he wasn't restrained by the "friends only" stipulation, Sasha has put up a wall around her heart that is going to be hard to tear down. Alec introduces the two under the strict instructions that Matt is to learn how to become friends with a woman. This task proves difficult, as Matt's only interaction with the opposite sex has been of a romantic nature. As time goes on and their friendship strengthens, things get more and more challenging, because the more he learns about Sasha, the deeper his feelings for her become. Can this non-committal guy change his ways? And can he convince Sasha that he's in this for the long haul?

## Customer Reviews

4.5 of 5 StarsMatt Wendell is a lady's man. He goes through girls like

water, staying away from commitment. He is challenged by his best friend, Alex, to become friends with a girl; and Alex has the perfect girl to help him with the task, his cousin, Sasha. First, let me admit that I am bad and did not read the initial two Dating Tutor books. I bought them both, and they are patiently waiting in my "to read" pile. I will say that after reading Matt's story, they will be moved up on the list. I had no problem following the story. If anything, it just made me want to read the other two books. I love Matt. He's such a guy. I like that he takes his challenge seriously, especially considering he is a freshman on the hockey team at Boston College, where there are many female opportunities. I like that he is patient and does not give up, not just with Sasha, but with hockey as well. Some people would be easily frustrated and just complain instead of doing something about it, where Matt tries harder. Sasha is awesome. I love that she puts Matt in his place. I like that she plays on the women's soccer team and gives Matt a new appreciation for women's sports. Ultimately, I think the challenge was perfect for them both. It gives Sasha time to mend her broken heart and Matt a new perspective on women. I appreciate Melissa Frost's writing style. It is easy to follow and understand. Matt's story was a fast read that I did not want to put down. I really enjoyed the narrative, and it was the perfect length. A gifted copy was provided by author/publisher for an honest review.

This was a cute read involving two young college students. Sasha was trying to teach Matt how to be friends with a girl and Matt wanted more from Sasha. I loved the back and forth struggle from the two trying to fight what they both want but also trying to stay true to their promises! All in all a great story!

I received a copy in exchange for an honest review. This was a very cute romance, I enjoyed it greatly! I loved Matt and Sasha from the start, absolutely a worthwhile and entertaining read. Highly recommend.

Great sequel to the great original! Also nice to see Ellie and Alec again!
