Cute and colorful with nice illustrations. Book is well-made and easy to read.

This is perfect for my 2 year old daughter who is into everything little girls typically are in to, like candy, butterflies, flowers and pretty dresses. We have read it several times within the short amount of time we've had it, frequently getting stuck on the candy page.

My daughter loves these books

Such a fun and cute book. My little one loves it!

Nice board book and love Pinkalicious character.

my niece loves these books

nice book

My 3 year old is a big Pinkalicious fan, so when I saw this number book, I thought we would give it a try. So happy we did, she loves the fun pictures, familiar items from other Pinkalicious books and I love the durability of a board book that the book goes up to number 20. She also has fun trying to count backwards with Pinkalicious at the end of the book.
