Customer Reviews

This book is perfect for mezzo sopranos looking to learn more about Sondheim and the songs he wrote for their voice type. In this book, there are 45 songs from various Sondheim musicals. This music is great for someone who is looking for something a bit more ironic and out of the ordinary in terms of musical theaters songs. There is a lot of craziness in the characters for these songs, so the acting will be a bit more challenging for performers which is part of the draw in Sondheim.

What a beautiful collection of songs. I used one of these songs at an audition for a local musical and got the lead role! (Baker's Wife in Into the Woods). If you're auditioning for a Sondheim show, or if you just LOVE Sondheim, this book is a must-have.

I am so glad this exists! It's a huge compilation of songs, and all in my range...I've had tons of fun with this book already.

A nice compilation of popular Sondheim songs.

Great compilation, nice range

This collection includes extensive plot notes and commentary about the shows and songs, including quotes from Sondheim. Contents are listed below. The songs are a combination of songs in original keys for tenor and songs in suitable transposed keys for belter/mezzo-soprano. SONGS IN ORIGINAL KEYS FOR BELTER/MEZZO-SOPRANO

I recently bought every book in this series- (Soprano, Belter, Tenor, Bass, Duets) I am going to post this same review on each page, so if you're seeing my name, there's no reason to reread any. I dropped a pretty penny doing it- but I would do it over, and over, and over again. In fact, I'll probably do it again next month so that I have 2 copies of each book. Years ago (maybe...20 ??) I bought the first (to my knowledge) series of Sondheim song books, and have treated them like they were priceless, because to me, they are! I was so thrilled when I saw these! Other reviewers do an excellent job of discussing how the songs compare to listings in other books. However, if you're like me, and want everything Sondheim there is- you simply MUST have these. There's no other way to say it.
