Brady who accompanied the expedition. With bibliographical notes and end paper maps. 240 pages with index.

Being a Land Surveyor in Arizona, I was extremely pleased with this book on one of the early Railroad Surveys across our State. It was excellent and gave me a great insight into the country and it's early day inhabitants, as well as the trails that later became our roads. A.B. Gray was a great man in his time and my kind of guy.
