Customer Reviews

"My friends recommended this book to me and reading this book is such a great choice. This book contains recipes that are easy to make. Two thumbs up! Fantastic book!"-- Alesha F."I enjoy a good healthy smoothie but haven't had much luck find good recipes. This book is chock full of them. Not only are there recipes for the smoothies but there is also a ton of good information on how to improve your health and lifestyle in general. I would recommend this book to anyone looking for a better lifestyle."-- Ziggy Cheshire"Wow! This book is a must! Linda Westwood has mastered yet another great book on health and diet! I absolutely recommend it to everyone who either would like to detox, lose weight or just begin a healthy day!"-- Demetra S. Gerontakis"I have always been a little skeptical of smoothies because I have a thing for delicious food. It was my doctor who recommended me to buy this book as he said, it would change my opinion on smoothies. True to his words, I am now hooked to green smoothies and I love having them all the time. Needless to add, it has helped my health too. Love it!"-- Alan K."This is a great smoothie recipe book! The author gives us a detailed recipe list with a list of health benefits for each. I really appreciate all the effort that went into this book and I will definitely come back to it! Would recommend to all the smoothie lovers out there!"-- Patrick Gabo

Wow! This book has lot of recipes and they are not just tasty but it is to maintain our healthy body. It also gave me so much information on juicing that I did not know. Useful, great and healthy recipes. Fantastic guide. Thanks Linda.

This book is really amazing and useful book. I learn lots of health juice through this book.. Simply

super. Highly recommended. Boost to buy it

Smoothies are probably one of my favorites. And I would love to try the juicing and smoothies at home but I've been thinking of how to start. And this book is the ultimate guide for both. I like how this book is really for beginners because it helps you decide what best, popular juicer that you can purchase. What you cannot juice. How to wisely pick a fruit. And going organic juicing is the best of all. Smoothies recipes are great. Worth trying and of course a total keepsake!

This book was a great read. It has a lot of info about what will help you burn fat and increase your energy. I am looking for a healthy way to lose weight and this book has helped me make the decision to include these smoothie recipes in my weight loss plan. This book motivated me and kept me focused on my goal to lose a few extra pounds. The recipes are refreshing. A must read for those who want to bring about a healthy change to their routine.

I really enjoyed this new book by Linda Westwood. Although I already knew a lot about smoothies in general, the book had a lot of great information and recipes about green smoothies that was new to me. So - highly recommended. Jake

Green smoothies?! Yum! This book contains great recipes for healthy smoothies. Its easy to follow and easy to make. It has a lot of tips and insight on these drinks and made easy for beginners. Give this book a try.

This book is awesome. I love smoothies there easy to make and the fit my fast paced lifestyle. The recipes in this book are so yummy. I really liked the way the author took the time to explain the benefits of each smoothly for all those who need to know. I recommend this book to anyone who likes smoothies or wants to try some highly nutritious alternatives to cooking!
