Capturing The Magic Of Light In Watercolor

Synopsis

Transform your paintings from ordinary to extraordinary - with light! Want to paint light-filled watercolors that reach out and draw viewers in? In this book, award-winning watercolorist and teacher Susan Bourdet shows you how. Through simple concepts and detailed step-by-step demonstrations, Susan demystifies the process of successfully depicting light in watercolor. You'll learn how to:

- Create convincing light effects and rich shadows
- Depict different light angles and times of day
- Render light on a variety of subjects, from feathers and fur to flowers, water and textures

Take reference photos with exciting light and combine them into a believable composition that speaks to your viewers! It's all the information you'll need to capture the magic of light in your watercolors! Includes 23 step-by-step demonstrations!

Customer Reviews

Love the way the author explains pretty much everything, it's really easy to understand. I would definitely recommend it to any artist wanting to learn more about Watercolor painting.

I love the illustrations in the book. It has given me many ideas and makes me want to paint even more.

Very well done, good advice for all skill levels

Checked this book out in the library and was instantly hooked. So much good info I had to have one of my own. A good book for any watercolor artist's library. You won't regret it.

very good

My wife finds this book quite useful in her water color studies. She has recommended the book to several of her friends and art class mates. A good investment for the study of water color techniques.

Oh how beautiful the paintings are in this book! I want to paint paint paint after reading through this book! Beautiful!!!

This is a wonderful book for those who just want to see something beautiful and for those who want to learn to bring the "magic of light" into their watercolor work. Indeed it could be used by any painter or fabric designer for inspiration and thought on making their project glow. In addition to being beautiful it has well done directions to achieve your goals. Love this book.
