I got this for my Special Ed daughter, all little girls love this sort of thing, you can't go wrong with it

as a gift idea, that little something for someone special! Eyewitness books have the most inspiring and superb illustrations that bring out the best of every topic.

Was used for a reference for 8 year old to do a project about dance and came in handy, was easy for her to read and understand and had several different types of dance and information about dance. There were also great pictures to keep it interesting. Was very informative and perfect for our purpose!

The book was clean except for a handwritten message on the first page. This was disappointing to me because this was not mentioned upon purchase.

In ancient Greece, dance was seen as a gift. Dance is simply a series of movements performed in patterns and set to music. Every human society has some form of dance. It is a way to pass on history, exercise and express yourself in a way words can't. In this colorful guide, the magic and beauty of dance is shown in step-by-step sequences and full-color photographs. The costumes are spectacular and children can see the costumes, learn the stories of the great classical ballets and discover why Javanese dancers "flow like water." Dances include: Ballet Tonga - poetry interpreted in dance in the Pacific Island of Tonga Flamenco - Spanish Ghost Dance - Native American Morris Dance - England Gharata Natya - Classic Indian Dance (if you enjoy this - watch Lagaan) Orissi, Eastern India - originally performed by temple dancers Georgian Ballet - the costumes are amazing! Modern Ballet Ballroom Dancing and many more... There is a section on footwear and they show how a ballet shoe is made. They explain the process of creating costumes all the way from the drawings to the finished product. Makeup and set design is briefly discussed. A section on famous dancers and choreography shows what it takes. Finally, they discuss dance crazes through time. A trip around the world in dance! ~The Rebecca Review

This is an artful and beautiful book on dance! I love the photographs and dancing topics introduced. Lisa Michaels Author, Creation Coach, Speaker PROSPEROUS PRIESTESS HANDBOOK: A Guide to Unlock the Secret Riches of Your Inner Creation Goddess Natural Rhythms: Connect the Creational Dance of Your Life to the Pulse of the Universe Nature's Success System: Secrets to Energize Your Health, Wealth and Passion with the Feminine Power of Creation

DK eyewitness books are some of the greatest non-fiction books around. The distinctive white

background and high-quality photography gives this book an edge over any other nonfiction picture book. And -- these pictures are real! They're beautiful photos of all things related to dancing, accompanied by informative captions and text. Learn about many different styles of dance, costumes and shows, performers, and many other dance-related topics (all augmented by beautiful museum-quality photos). If you know someone (young or old) who is fascinated dancing, then you must introduce them to this book! It's a great lesson about dancing, and a beautiful book.

This book is excellent for the education of all types of dance. The pictures are colorful, the information is accurate, and it keeps the readers attention. It covers a variety of dances, and goes into detail about costumes and shoes. It is a good book for those interested in the art of dance, and dances from around the world.
