Customer Reviews

Wanderlust Travel Awards 2009 – 2014 "Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." – Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life." – The Philadelphia Inquirer

All DK Eyewitness Travel Guides get a high rating from me. We buy them for all our trips (International and Domestic) and find them very helpful in planning our trips before as well as during the actual trip. We always couple them with (usually) a Frommer's travel book since each provides different perspectives on the area covered. I love the pictures in the DK books, which is totally missing in a Frommer's book. Frommer's books do have much more comprehensive information on hotels, sights, restaurants, etc., however, so both are important.
