CJP has written of the Bolder, Co Sheriff who rescues 3 ladies and gives them their lives back. They live just outside Denver where his sister, husband and daughter were murdered. Her finds his daughter had been sold to a couple and was held in captivity. Once everything was set right the Sheriff, now Deputy Marshall, searches for his one true love. This is an excellent read for the genre..... RR

This writer has a gift for detail without being boring. A long story about a gallant man with a penchant for justice. He also has a way with weapons and takes care of those who can't protect themselves. A good take on a western man who loves women, children and appreciates a decent life. Could perhaps not repeat the same stories so many times but one doesn't forget them!

Petit is a good writer. This book moved fairly well and somewhat repetitive. Sex was much less prevalent however, too descriptive for my taste in a well written western novel. There were a lot of mistakes but not enough that interrupted the plot.

The book was well written and I could have read more it was so interesting. Although fiction you can't help but feel for the victims. I want another book with this family.

Enjoyed this book it was very entertaining. A story of a real nice guy his niece and three beautiful women.

I like the characters although they were very black and white. Perfect or evil in every way. The author would have the protagonist tell someone about every adventure so you hear the same story, in great detail, two or three times. A filler really and rather boring. Made the book quite long without adding any value whatsoever.

A great story with lots of joy and also much pain. I kept waiting for more roadblocks in the story. It seemed to continue on very smoothly. Sam is almost unbelievable, too good to be real. Enjoyed the strictest much.

A believable western yarn. Good story line although sometimes a tad bit too predictable. Well worth the time and effort.
