As a long time resident of Atlanta, I welcome this book. Dr Lefever has given us a guide to many places in the city that are significant in Atlanta's role in the Civil Rights movement, offering four walking and driving tours of these sacred places. It should be a required guide for visitors to Atlanta as well as for the city's residents. Since I have lived near many of these locations, the book is a reminder to me of my own history as well as the history of our city. I hope readers will use this book as a tour guide to visit these sites. I am certain it will be a moving experience.

Includes useful summary history of the Atlanta Civil Rights movement.
