Customer Reviews

Right after New Year's Eve I plan on starting a weight loss regime and losing some weight so I will definitely follow the advice given in this book.. I am not sure it will work in just three days though but I will give it a try and probably do it for another three after that. As for the book, it is clear and easy to follow, and also has some additional excerpts from Linda Westwood's books. A huge amount of info for that price it's a deal.

Just what I needed!

Awesome Product

Lit if good info

Good

I would never have imagined that losing weight quickly was actually possible. The problem most of us face is that the momentum of poor food choices push us to continue into being unhealthy. I have only recently learned about detox, and this book seems to make a lot of sense when it comes to how to combine detox and losing weight. I'm not sure if I will be able to keep the weight off, but detox seems to be the right way to lose some and feel better.

Interesting, helpful tips. But it seems like the weekend ingredients will cost a fortune. I may try this sometime soon.

The book is very informative. The given tips are very straight to the point which makes it easy to

remember. It also teaches us how to keep motivated in order to succeed in your goal of losing weight. I think it is very helpful guide for us.
