Customer Reviews

Very nice for our new smoker.

Great reference book! I love how I learned to know the best way of using a masterbuilt smoker.

Also, the recipes are totally amazing.

Good recipes and fundamentals used for smoking food.

Great recipes for our smoker.

Just what I needed!

A lot of great, delicious recipes and a must have cookbook if you've got a Masterbuilt Smoker. Good explanation of how to take care of the smoker as well!

Lots recipes arrived on time.

For anyone who owns or is planning on owning a Masterbuilt Smoker, this is a great book to pick up. This is not only a cookbook, but also a comprehensive guide. The beginning of the book is mostly comprise of the general information on the machine, and how best to use it. First the author describes what a masterbuilt smoker actually is, and the different models available. This will help you to decide if a smoker is really going to be right for what you are looking to do with it. The various models will help you to choose the specific smoker for your needs. Next there are sections on the actual protocol and preparation you will need to go through before even beginning to cook in your smoker. This includes reading and following the instructions carefully, and following the proper safety precautions. Next you will need to prep your machine, and this book helps you do this according to your specific machine and model. The author has provided comprehensive instructions on gauging the timing and weight of your foods, and adjusting your machine accordingly. Also, there is information on seasoning the machine as well as the meat you are cooking with. The rest of the book is filled with a ton or recipes from meat rubs, actual meat recipes, to appetizers and desserts. These are separated by food and meat category. Overall, a steal for the price!
