Rose Guide To The Tabernacle With Clear Plastic Overlays And Reproducible Charts

Synopsis

Winner of the 2009 Christian Retailers Choice Award for Bible Reference and Bible Study Title! Full color, reproducible book on the The Tabernacle, with clear plastic overlays of the coverings of the "tent of meeting." The Tabernacle was the place where the Israelites worshiped God after the Exodus. Learn how the sacrifices, utensils, and even the structure of the tabernacle were designed to show us something about God. See the parallels between the Old Testament sacrifices and priests' duties, and Jesus' service as the perfect sacrifice and perfect high priest. See how: The Tabernacle was built The sacrifices pointed towards Jesus Christ The design of the tent revealed God's holiness and humanity's need for God The Ark of the Covenant was at the center of worship. "See Inside" the Tabernacle of Moses with Rose Guide to the Tabernacle! 128 pages, full color with 8 clear plastic overlays showing inside/outside of the tabernacle; plus dozens of reproducible charts. You may reproduce up to 300 copies of any chart free of charge for your classroom. Rose Guide to the Tabernacle explains the history of the Tabernacle, its sacred objects and activities , while also illuminating deep insight into what Jesus did for his followers during his life, his death and his resurrection. This fantastic resources is great for anyone doing a Tabernacle Bible study or for anyone wanting to dig deeper into the symbolism of the Old Testament. Rose Guide to the Tabernacle explains The importance of the Feasts of the Bible, such as Shavuot (Feast of Weeks), Rosh HaShanah, Yom Kippur, Sukkot (Feast of Tabernacles) and Hanukkah The purpose behind the design of the Tabernacle of Moses: The Courtyard, The Holy Place and The Most Holy Place The significance of the sacrifices: Sin Offering, Guilt Offering, Grain/Gift Offering, Burn Offering, and Peace Offering The parallels between the Tabernacle, Christ's ministry, and the church The symbolism of the Tabernacle's furnishings, such as the Golden Lampstand, the Table of the Bread of Presence, the Altar of Incense, and the Ark of the Covenant The garments of the high priest Elements of Passover and a "Christian Seder" Includes Dozens of Reproducible Charts and Timelines on the Tabernacle Time line of the Exodus Old Testament Covenants Sacrifices in the Tabernacle Comparison of priests of the Tabernacle, Levites, and the High Priest. Jesus and the high priest Symbolism of Jesus and the Veil Jesus and the Ark of the Covenant 5 Reasons Why You Should Study the Tabernacle of Moses The Tabernacle is important because it shows: God's desire to live among his people. God's original design for the world God's plan to fix a broken creation Insight into Jesus' life, his death, and his resurrection How the significance and the symbolism of the Tabernacle of Moses find their ultimate fulfillment in Christ

Customer Reviews

The book is very detailed and easy to use. I facilitate adult education classes and use this book to assist in teaching. I especially found the charts/diagrams extremely helpful in these classes. At times I have made copies for the students to use, and they were received with great response! The charts/diagrams are large and colorful and easy on the eyes, and jam-packed with wonderful information. The definition sidebars are also very useful. The overlays are irreplaceable for demonstration purposes. This book has numerous references contained all in one!! (i.e. encyclopedia, dictionary....). I have encouraged students to purchase this resource, as it will provide for many years of enjoyment! Bravo on a work well done! --Susan Clark - January 27, 2009 We as a husband & wife team are enjoying the Tabernacle Guide Book and charts very much. We have just gotten into the study of it and are reviewing the various sacrifices and offerings. We also like how the arrangement and layout of the outer court, the holy place and the holiest of holies are displayed. I appreciate the listing of the different feast and the meanings of them. I feel that it is a well done book in reference to Christ in the tabernacle. We plan to spend a lot more time studying it all. I have been looking to order that book for a long time. We will take it with us to our Messianic Jewish Group when we study the journeys of the children of Israel in the wilderness and building of the tabernacle. --Wes & Pat Burnham - January 26, 2009 I am teaching Sunday School to 4-6th grade students and determined that their knowledge of the Old Testament was greatly lacking. I decided to take them through a study on the Tabernacle and as I researched materials that I could use, I discovered Rose Publishing's Rose Guide to the Tabernacle. I was hopeful that it would be helpful

and ordered it. Upon receiving the book, I am very excited to have it as a resource for my class! The illustrations alone are very informative. I appreciate the text and the information given as well as the well-organized format. When I shared the book with my students as a preview of things to come, they were all excited. The layover sheets help to bring alive an understanding that goes beyond words. I would recommend this resource to anyone! --Liz Maude - January 28, 2009

I'm not exaggerating when I say, "wow". This is an absolutely stunning resource on Israel's Old Testament Tabernacle. Rose puts out some exceptional material as they faithfully equip the church of Jesus Christ to explore and teach the Bible and all things Christian. Rose's Guide to the Tabernacle is a 117 page hardcover and spiral bound book in the top tier of Rose's portfolio. This book is worth every penny. The authors start off exactly where they should: laying the foundational context for where the tabernacle fits in the grande story of redemption found in the scriptures. Creation, fall, flood, babel, Abraham, promises, covenants, slavery, redemption, law and worship! Enter the tabernacle; God's mobile worship center where He dwelt with His people, accepted their substitutional animal sacrifices for their sin and lead and guided them through Moses and Aaron. Here are some of the great features found in this book: Extensively detailed charts comparing the Levites, Priests and the High Priest, Intercessors in the Bible, Jesus and the Ark of the Covenant, organization of the tribes around the tabernacle, the Jewish calendar and its feasts and festivals and many more! Three different cutaway clear plastic overlays showing the most holy place, all of the coverings for its roof and the contents of the ark of the covenant. Beautiful full or two page illustrations of the glory of God above the tabernacle, the high priestly garments, the duties of the priests in the courtyard and in the holy place, the journey of the ark from Sinai to its probable destruction by the Babylonians in 586BC, full color and highly detailed maps of the journey from Egypt to Sinai and much more. If you are only able to purchase one resource on the Tabernacle, make it Rose's Guide. You will have virtually everything you need for study and further research in this one volume and you definitely will not be disappointed. ----- I was provided this resource by Rose publishing in exchange for a free, unbiased and honest review. --Paul Dare

Many thanks to Rose Publications for printing the guide to the tabernacle. I have been using all the Rose booklets on the tabernacle, but this amazing book is the best thing going. It has richly blessed my adult Sunday school classes and United Methodist Women's Bible Study. We have come to see much more clearly the ministry of Jesus Christ. --Rev. Cathy Sonnicksen Sonnicksen

Benjamin GalÃfÃn grew up in a Christian home in Mexico City. During his studies, GalÃfÃn became enamored with natural sciences. In college, GalÃfÃn studied physics and mathematics,

and grew indifferent and hostile toward the Christian faith. Along with the French mathematician Laplace, Gal'f'n believed God was no longer a necessary hypothesis. After additional studies, Gal'f'n began to long for deep, satisfying connections and meaning in his young life. Through the moving testimony of a friend in school, Gal'f'n began to read the Bible with renewed eyes, and eventually returned to church. As he became more involved in the ministry of his home church, Gal'f'n sensed God's calling. During his theological studies, Gal'f'n fell in love with the Old Testament and understood the Old Testament as the key for understanding the New Testament. Gal'f'n holds a Master of Theology in Old Testament, MTS Biblical Studies, and is adjunct professor of Hebrew language and Literature at Fuller Theological Seminary.

I love the overlays! I sat down when I received this book and read it cover to cover. I would recommend this to anyone teaching or learning about the tabernacle. It brought in history, biblical references, and good explanation and description of every facet of the tabernacle.

the art work, illustrations, reconstructions and information presented in this book are truly incredible it covers everything you could possibly know about the Tabernacle to full colour reconstructions with splendid overlays you lift up with an abundance of information and a lot more. Reading the construction of the Tabernacle can be quite boring in Exodus when you read this should be this many cubits and that this many cubits and so on and so on and that is because we don't have a visual description but thanks to the rose guide to the tabernacle you will have. You will learn the importance and symbology of the sacrifices and feast and how they point to Christ and many more things so don't worry about any other Tabernacle books out there just read this one and this one only.

I cannot say enough about this book. The pictures are so awesome and the book is very easy to understand. I highly recommend this to anyone who wants to go deeper onto Christianity.

As a teacher of Bible studies, I found this wonderful teaching tool and must say it is extremely well done, connecting the dots from the Old Testament tabernacle in the wilderness to the Cross of Christ. The presentation is excellent; a child can understand it but it is not too childlike for committed Christians. "Where did they get the gold?" (to build the various items in the tabernacle) was a question a student asked just the other day. This book answers that question in a little text box all its own. There are timelines, genealogies, drawings, and clear plastic overlays that are invaluable. If

you want to follow the unbroken line from Moses' tabernacle to and through the Cross of Christ, this is your tool. Buy it.

may i please download a pdf of this book seeing as i paid for the hard copy already

So helpful in understanding the Bible. Beautiful book - well made.

Excellent as described.I strongly recommended this seller.

I have found this book to be very informative on the subject matter. It clearly details what worship was like at the Tabernacle. The descriptions are presented in an easy to be understood manner. Permission is also given to copy the information for classroom use only. It is a spiral bound book so that is helpful if you would like to copy any of the articles. The book includes overlays which are helpful when looking at the different sections of the Tabernacle. The full color pictures lend to the appeal of the book. This book is for anyone who would like to know more about the Tabernacle.
