My 9 year old son loves this book. The songs are at his skill level and the photos and story info is also a nice compliment. It's very thin and lightweight which makes it easy for him to take to school on music day or to grandma's to play on her piano. Happy with this purchase.

These books are so well written and printed. The drawing/sketches are awesome and worth the price. Music of course is for the Piano and is very well done.

The Nutcracker pieces for piano are short selections for piano for the music student to both get acquainted with Tchaichovsky music and the Nutcracker music as well as a bit of a challenge usually in each piece. My students have enjoyed them.
