Sh*t My President Says: The Illustrated Tweets Of Donald J. Trump

Synopsis

FDR had radio. JFK had TV. Trump has Twitter. Eisner Award-winning cartoonist Shannon Wheeler tackles the 140-character president. For the first time, these revealing snapshots of the world's most powerful man are collected, curated, and brought to memorable new life as cartoons. Some people are saying, I don't know, you tell me, but a lot of people are saying this is the greatest book of the year. This guy, Shannon Wheeler, he draws these cartoons for the New Yorker, MAD, the Onion — he's very, very, good, okay? Now he's illustrated the most incredible tweets. Wow! You won't believe what he does with these tweets. I mean, these tweets changed the world, folks. It's true! It's very true. EVERYONE is going to want this book — even the haters and losers (Sad!). In *Sh*t My President Says*, Donald Trump's most revealing tweets are transformed into razor-sharp cartoons, offering a subversive and illuminating insight into the mind of the most divisive political figure of our time. Whether you love him or hate him, this take on Trump will help you come to grips with the man and his ideas thanks to Wheeler's signature mix of slapstick and sophistication.

Customer Reviews

"Shannon Wheeler drew a book I wish I had thought of; that's the ultimate compliment I can offer in 140 characters! #buyit #wheelerisagenius" — Jack Ohman, winner of the Pulitzer Prize for Editorial Cartooning "A book of cartoons written by a living caricature and illustrated by one of the best cartoonists working. It's like peanut butter and chocolate! Or maybe unregulated toxic waste and chocolate. In any case, it perfectly captures the grim absurdity of life in the darkest timeline." — Tom Tomorrow, creator of *This Modern World* "An edifying distillation of the Orange

One's oeuvre, with pictures | [Wheeler] gives us reason to snicker rather than cry." Kirkus Reviews "Terrific." Paste

Shannon Wheeler is the Eisner Award-winning creator of Too Much Coffee Man, who has appeared internationally in newspapers, magazines, comic books and opera houses. He has contributed to a variety of publications that include The Onion newspaper and The New Yorker magazine. Wheeler currently lives in Portland, OR with his cats, chickens, bees, girlfriend and children. He publishes a comic every day at tmcm.com.

Wheeler's redux of Trump's tweets is sharp, witty, and insightful. More than parody, the book's curation of the President's tweets give a painfully clear view of his psyche, with a strong sense of humor to make the medicine go down. Read it and weep.

This book is fair at best. I was hoping for more from it, such as identifying contradictions in Tweets that we all know are out there. The cartoons are cute but I did not laugh really once, a mild chuckle one time. It is sad to read the Tweets and think that this person is leading our country. It illustrates a broken fearful man who made money and is continually trying to justify his existence so everyone can see how great he is, but he and everyone knows he is fractured. This is a cute little book but do not expect insights or anything to really help you understand the individual he is writing about. It is a book on humor and I get that, but like I said, it wasn't that funny.

Hilarious!

Great idea, great execution. Love people with the sense of humor!
