This book is a good resource for anyone traveling to Mississippi especially for the first time. The book lists many little known areas of interest and gives information and history about many places.

This book made our trip to Tunica an even better experience. We found that Mississippi is a very interesting State and we've gone back for our second visit !

This book was both informative and helpful. I found interesting facts about Mississippi. Having my daughter just move to Mississippi, I anticipate visiting often. This book will allow me to know where to go.

Great book for locating places to go and things to do in Mississippi. I am a lifelong resident and there were many things in the book that I was not aware of. We have enjoyed finding and visiting the landmarks that are detailed in the book.Noel R. Mann, Ph.D.

I enjoy reading this book and refer back to it all the time. I tell other people about places to go and see around Mississippi.
