Film Theory And Criticism

Synopsis

Since publication of the first edition in 1974, Leo Braudy and Marshall Cohen's *Film Theory and Criticism* has been the most widely used and cited anthology of critical writings about film. Now in its seventh edition, this landmark text continues to offer outstanding coverage of more than a century of thought and writing about the movies. Incorporating classic texts by pioneers in film theory--including Rudolf Arnheim, Siegfried Kracauer, and André Bazin--and cutting-edge essays by such contemporary scholars as David Bordwell, Tania Modleski, Thomas Schatz, and Richard Dyer, the book examines both historical and theoretical viewpoints on the subject. Building upon the wide range of selections and the extensive historical coverage that marked previous editions, this new compilation stretches from the earliest attempts to define the cinema to the most recent efforts to place film in the contexts of psychology, sociology, and philosophy, and to explore issues of gender and race. Reorganized into eight sections--each comprising the major fields of critical controversy and analysis--this new edition features reformulated introductions and biographical headnotes that contextualize the readings, making the text more accessible than ever to students, film enthusiasts, and general readers alike. The seventh edition also integrates exciting new material on feminist theory, queer cinema, and global cinema, as well as a new section, "Digitization and Globalization," which engages important recent developments in technology and world cinema. A wide-ranging critical and historical survey, *Film Theory and Criticism* remains the leading text for undergraduate courses in film theory. It is also ideal for graduate courses in film theory and criticism.

ABOUT THE EDITORS Leo Braudy is University Professor and Bing Professor of English at the University of Southern California. Among other books, he is author of *Native Informant: Essays on Film, Fiction, and Popular Culture* (OUP, 1991), *The Frenzy of Renown: Fame and Its History* (OUP, 1986), and most recently, *From Chivalry to Terrorism: War and the Changing Nature of Masculinity* (2003). Marshall Cohen is University Professor Emeritus and Dean Emeritus of the College of Letters, Arts, and Sciences at the University of Southern California. He is coeditor, with Roger Copeland, of *What Is Dance? Readings in Theory and Criticism* (OUP, 1983) and founding editor of *Philosophy and Public Affairs*.

Customer Reviews

Essential reading for the serious film student. * Jerry Allen White, University of Oklahoma * An excellent introductory survey text, offering key essays in film theory and criticism for the beginning student. . . . A superb text in every respect; well annotated and authoritative. * Wheeler Winston Dixon, University of Nebraska *

Leo Braudy is University Professor and Leo S. Bing Chair in English and American Literature and Professor of English at the University of Southern California. Marshall Cohen is Emeritus Professor of Philosophy at the University of Southern California.

mind explodes after reading this, and you watch the classics differently.

I bought this book for one of my classes in film school and I continuously refer back to it's text as a practicing filmmaker. It is important to use theory while making a film.

A great text for an introduction into the world of film theory

A must have for any lover of film theory!

Excellent, excellent piece of discourse on film history. A true anthology. All you need to get an in-depth understanding. Was used as 445 class textbook.

Greatest thing I ever did was get this from and not my school. It was about 70% less than school price and the exact same book. Will DEF do this again!!!!!!

It arrived just in time, which was great. The only thing is that this seems to have had a little bit of water damage at the top of the pages. I had to pull some pages apart, which led me to think that. Otherwise, excellent condition. No visible sign of the said water damage, which is good.

Good Book,,
