Fun and easy read. Many insides of things I would never even think about when riding Amtrak. I look forward to do it one day!!!!

I am going to embark on a 24 hour Amtrak train trip this summer to a National Park and your book helped me prepare. Thank you very much for writing this book!

Honest and easy to read. This book perfectly pairs the authors experience and great tips which include planning out your trip using resources provided to what to pack and gives examples of great

memories and experiences the author created with her kids while embarking on this adventure.
