Customer Reviews

I like the song collection, and the 3 in 1 is nice. However, since its beginner I expected it to have the finger numbering for the piano section. So be prepared to spend time figuring out the fingering. Also, I wish the would of spirally bounded the book So it would stay open, I have to use binder clips to keep it open on my staff.

Piano is easy, and harmony can be easily written in for larger groups. Very pleased, and deliovery was faster than I expected.

My daughter plays both guitar and piano--she likes this book and knows all of the songs. She loves that the vocal parts are also broken down. I would buy another like this one in a heartbeat.

Well assembled. Good for an intermediate player.

This level of music is a bit too difficult for me although I am an accomplished pianist.

Great songs! These are wonderful for jamming out for Jesus.

Perfect for my young daughter

Good music
