In book one of Satan's Sisters: Their bond was forged during their time in the military and became unbreakable with everything they went through together. As they become involved with the Furies, the Ops Warriors, and the Lady Riders, the clearer it becomes that the situation remains more than meets the eye. Miranda "Doc" McCain, the Satan's Sisters President, never figured she would find a man who could deal with her and the commitment to her club. When the Furies agreed to sponsor them, the club readily moved to San Diego. Before they arrived, though, Doc gets a little surprise that shakes her to the core. Jake "Fish" Lenard figured he had his one chance for happiness and it was long past. When he meets Doc the night the Satan's Sisters become members of the Furies, Fish knew she was the woman he had been waiting for, and he wasn't going to waste a minute of time in making her his. Danger presents itself to not only the Furies but the Ops as well, the two clubs know they are going to need to band together in order to survive. As the danger for all the clubs becomes real and things begin to unfold, Satan's Sisters could end up looking toward their own.

Customer Reviews

THIS SERIES IS GETTING SO INTRIGUING AND DOWN RIGHT EXPLOSIVE ITS GREAT. WITH ALL MY FAVOURITE CHARACTERS COMING TOGETHER WAS A MASTER STROKE OF HARLEY`S. THIS BOOK WAS DYNAMIC, EXCITING, HOT BIKERS, HOT WOMEN, SEXY, PREGNAT WOMEN AND MOST OF ALL SOME LOVEABLE BABIES TO COME. CAN'T WAIT FOR THE NEXT BOOK TO COME.

Have been looking forward to Doc and Fish's book and it not disappoint, like all her other books. The Satan Sister's are all freaking awesome and each come with their own brand of bada**! Can't wait for Mav and Shadow's book next.

Me thinks Maverick is gonna give Shadow a swift kick where the good Lord split him. Time for Angela Reyes to die. Another great book. Whole bunch of crazy on the horizon.

I love this new series and the way it is tying in with the other series. I can't wait for the next installment. I really like that the author is letting some of her older characters have a second chance at love. Hurry with the next book in the series please.

Fantastic book with kicka** women that take no guff from anyone! Great storyline and characters, I love Doc and Fish together and I look forward to reading more from this author!! voluntarily reviewed an advanced reader copy of this book.

I love Harley McRide and all of her books, however Just when the story starts getting good it stops. I wish we had more depth! We have been messing with Shadys mom for for too long, these are supposed to be bad a** men & women.

Awesome book! We get another strong, tough as nails don't back down group of women to the mix. Love how all the clubs mix together. Doc is awesome and Fish is perfect for her. Awesome Harley I can't wait till the next book.

They are as kick butt as ever! I like these new women that are being brought in. Angela Reyes is still a problem, but there is a lot more going on then just her.
