Joan Elliott has been creating needlework designs for over 30 years. She continues to be the main designer of kits for Design Works Crafts Inc., one of the top US needlecraft kit suppliers, and is a regular contributor to World of Cross Stitching magazine. This is her sixth book for D&C.

Love this book SO much I found three more and bought those too ! ! ! Joan Elliot's patterns are so whimsical and are fun to make - the patterns are also easy to follow. Can't wait to get started on all the fun projects I've found in the ALL the books I bought - should keep me busy for a long time :-)

This book is full of great surprises. My favorites are the Sea Goddess (mermaid) and the Woodland Goddess. It is hard to see from the cover that the book has such wonderful and detailed patterns. There is a really lovely Victorian Ladies floral sampler, too. I almost gave this a miss, based on the

cover. I didn't want to buy a book of only small patterns. I saw an excerpt of the Sea Goddess in a British cross stitch magazine and decided that cost effectiveness would be to buy this book instead. Once I received it and saw the variety of the size and types of patterns, I was very glad to have bought it.

Loved the book. It was in great shape, looked brand new to me. Fast ship. Very happy.

Love this artist and saved lots of money by buying the pattern book and only having to provide floss and thread which I already had. You cannot believe how many really great patterns are in there.

It was all I expected and more...

I have a mug at work with the saying "Don't Ask Me, I Just Work Here". I say it all of the time. Within this book, there is a cute cross stitch with this saying. I plan to work it up for my cubicle. The other patterns are just as cute and relevant to working, busy women.

Love this book also.

Great cross stitch patterns.
