These are wonderful acrostics - fun, varied and (for me) at least, just the right difficulty level. My only complaint is that there seem to be so few acrostic books published. I have been through all the ones offered on [Amazon](#) and B&N. Further, I paid a fortune for this issue - more than four times the list price. I guess that is because of the scarcity. I have seen acrostic books advertised on [Amazon](#) for more than \$100.

fine I wish you'd stock more crostics yes defininetly you need more puzzles of this type to keep your customers coming back for more
