Be Concerned (Minor Prophets): Making A Difference In Your Lifetime (The BE Series Commentary)

Synopsis

The truth in God's word illuminates the sinful state of our fallen world. And throughout history that insight has moved believers from conviction to action, to share His truth with a world in need, to burden us with a deep concern for people. But how can we translate that concern into effective ministry? The prophets Amos, Obadiah, Micah, and Zephaniah were each called to deal courageously and honestly with the sin around them. This study explores how their concern for people shaped their life-changing messages of repentance and redemption. Part of Dr. Warren W. Wiersbe's best-selling Bible commentary series, *BE Concerned* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe encourages us to take a balanced approach to personal evangelism, and challenges us to lovingly share truths that offer both conviction and hope.

Customer Reviews

I am enjoying this bible study.

This is a great complement to studying the minor prophets. It provides much needed context to the content of these books of the Bible. Without this context, it can be very difficult to understand the message of the minor prophets and easy to miss the significance of their statements. In addition, each chapter concludes with questions that can be helpful for facilitating group discussion. Highly recommended.

We are working through the Minor Prophets in a Bible study and have found this book most helpful.
Thank you

I have enjoyed these series so very much!! They have been easy to understand while carrying depth of scripture. They are great for personal use as well as for group study!! I have used them for both personal and group.

I enjoyed this bible study. All of Warren's books are great I own several.

What can you say...It's Warren Wiersbe...the Pastor's Pastor. The only thing better than reading his books is listening to him...

Good book for studying the minor prophets of the Old Testament.

Use this in my studies for a Bible study I teach.
