2015 International Plumbing Code (Includes IPSDC)

Synopsis

With an emphasis on design and installation for optimum performance, the 2015 INTERNATIONAL PLUMBING CODE SOFT COVER sets forth established requirements for plumbing systems. This important reference guide includes provisions for fixtures, piping, fittings, and devices, as well as design and installation methods for water supply, sanitary drainage, and storm drainage. The 2015 edition of the code includes information on public toilet facilities, as well as water temperature limiting devices, and replacement water heater installation. Using both prescriptive- and performance-related specifications, this code provides comprehensive minimum regulations for a variety of plumbing facilities, facilitating the design and acceptance of new and innovative products, materials, and systems.

Customer Reviews

ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.

I am studying to take my journeyman's plumbing test in Maryland and was very happy to find this book in stock as most places do not carry this item . one thing to keep in mind is that right now most

test are using an older version of this book and you would not be able to bring this book into the test with you as such . But I have been told that later this year all test will be focused on this book so I wanted to get a head start . also keep in mind most testing facilities will not let you bring in a book that has any marking on it at all , so don't use your highlighter on it . the book is very well written and very clear , having the extra guide with it is nice too .

This is the actual code book. It's in great shape and all is well.

I received my copy of the Code Book in a timely fashion and as advertised.

book is new no markings no page creases this is perfect thank you

Perfect condition - just as described

arrived on time and as described

Was in the condition stated, very pleased with product. Thank you.

EXCELLENT
