Customer Reviews

This was a great gift for my mother in the nursing home. Her physical abilities are diminishing, but she's still sharp. I'm hoping crosswords will challenge and entertain her.

I bought this Large Print Crossword Puzzle Dictionary for my 89 year old great-aunt who still has her faculties and is very intelligent and wise. I also bought her some puzzle books that I thought she'd enjoy just to keep her brain fresh and stimulated. Love that Auntie!

Was a bit leery based on some of the reviews but I've found this item to be just what my Mom needed. The print is really large, the book is not too big for her to handle. She loves her crossword puzzles and she's able to do them again. It may not be extensive enough for the NY Times Sunday

puzzle but it's fine for our local paper's puzzles.

The wife loves it for her crossword puzzles

Purchased this for my mom who's really tried to like it but finally gave up saying "it's too limited."
Has about 1/2 the content/words/help of the AZ Crossword Dictionary she was used to. Buy a magnifying glass and stick with the AZ.

Just the thing for a senior who is a crossword addict.

I bought this book for my grandma for Christmas. She is heavily into crossword puzzles, so I thought the best thing to get her would be this large print book. Its great for her so she does not have to put on reading glasses to look for the words all the time. The print is large enough to see it from the moon! haha! It's a great buy for anyone that likes doing crosswords, and does not want to squint to see the ink.

It's a great large print crossword puzzle dictionary because it had many of the puzzle clues that I was looking for. Also, the large print allows me to see the answers more clearly!
