Silent Seasons: Trusting God When You Don't Understand

Synopsis

I learned something very valuable in a silent season, and that is that I shouldn't be trying to build something when I was supposed to be cultivating my spirit. I was supposed to use that season to spend time with God, grow, and rest in him - not step out on faith and try to do something out of his timing. How many of us are making "faith moves" when we are supposed to be resting? You will find yourself tired because you built something that wasn't even for you. Are you going through a silent season in your life right now? Do you feel stuck? Do you feel like doors keep closing but nothing is opening in your life? Do you feel rejected or forgotten? Do you feel like you can no longer hear the voice of God or like life has handed you a bad deck of cards? If so, this book is for you. In *Silent Seasons: Trusting God When You Don't Understand*, Heather Lindsey shares how silent seasons are an opportunity to grow closer to the Father. In this book you will learn: How to stay strong in the midst of tests and trials How to avoid comparing your life to others How to be faithful with small How to stretch your faith to do what God is telling you to do Get ready to walk out this silent season like never before!

Customer Reviews

Eye opening! I've read this book three times and will read it a fourth. It spoke to me as I read it! This book reminded me that the silence in my life is a necessary part of my journey! The scriptures firmly backed up what the author was sharing in her book. I identified with much of her experience and I was inspired to not RUSH through this quiet season. I was encouraged to grasp and inhale

everything in this season because it is a vital part of my life. Silent Seasons allowed me to view this chapter in my life with a new perspective!

This book is amazing. I am going to read it again. Heather was very honest and insightful about the silent seasons we may experience in life. This book will help put things into perspective that you may be going through or have went through. I have been inspired to purchase this book for a few of my friends. Yes this book is THAT GOOD!!! Thank you Heather and may God continue to bless you!

I stumbled upon this book and it was an incredible find. Heather Lindsey offers a clear, level, refreshing, Biblically-based perspective on going through Dry Seasons. She's brutally honest about her own struggles and triumphs in these times which hit home. If you've been struggling with a wilderness period; frustrated, hopeless, feeling like God and everyone has forgotten about you, this is the book to help you re-center and breath fresh life into building intimacy and relationship with Christ.

After coming out of a season in my life where I could not understand what God was doing but trusting him n then getting my hands on this bookÃ¢Â€Â“ Wow, thank you God & Holy Spirit for using Heather to write this book...This book is amazing! I will be getting a copy for each one of my friends!

Awesome book! It was such a pleasure reading it as it was very insightful

It's great it's like she's actually talking to me. So realistic and brings the tools of peace that only you can have with knowing Jesus and the season you will encounter Heather has written this book and it's has helped me in my process of holding on to what the devil tried to rob

Thank you Lord for reminding me of the importance of sitting at your feet during these silent seasons. This book helped remind me of where I need to be when it seems like every door is

closing.
