I Know A Secret: A Rizzoli & Isles Novel

Synopsis

NEW YORK TIMES BESTSELLER — Jane Rizzoli and Maura Isles — the inspiration for the smash hit TNT series — continue their bestselling crime-solving streak, as they pursue a shadowy psychopath keeping secrets and taking lives. “Suspense doesn’t get smarter than this.” —Lee Child Two separate homicides, at different locations, with unrelated victims, have more in common than just being investigated by Boston PD detective Jane Rizzoli and medical examiner Maura Isles. In both cases, the bodies bear startling wounds — yet the actual cause of death is unknown. It’s a doubly challenging case for the cop and the coroner to be taking on, at a fraught time for both of them. As Jane struggles to save her mother from the crumbling marriage that threatens to bury her, Maura grapples with the imminent death of her own mother — infamous serial killer Amalthea Lank. While Jane tends to her mother, there’s nothing Maura can do for Amalthea, except endure one final battle of wills with the woman whose shadow has haunted her all her life. Though succumbing to cancer, Amalthea hasn’t lost her taste for manipulating her estranged daughter — this time by dangling a cryptic clue about the two bizarre murders Maura and Jane are desperately trying to solve. But whatever the dying convict knows is only a piece of the puzzle. Soon the investigation leads to a secretive young woman who survived a shocking abuse scandal, an independent horror film that may be rooted in reality, and a slew of martyred saints who died cruel and unusual deaths. And just when Rizzoli and Isles think they’ve cornered a devilish predator, the long-buried past rears its head — and threatens to engulf more innocent lives, including their own. Another excellent book from Tess. I have read all her Rizzoli and Isles books and have enjoyed everyone of them. This plot line was full of surprises. I think Rizzoli will be re-visiting one of the characters in a future book. I read this book in two days because I couldn't put it down. it was just an excellent read. If you're a fan of Tess like I am, this is a must read from her.

So typically rizolli & isles, yet not enough emphasis on either one personally. Just enough of a tease into their personal lives to warrant. Ore! Just not enough depth for the prime characters .

This was a one day read. Once I started I couldn't put the book down. The plot and Tess' writing are amazing. She is one of America's greats particularly in this genre.

Another good one by a favored author. I have them all and know Rizzoli and Isles like old friends. I can't wait for the next one. I HOPE there'll be a next one.

The book was good, but a slow starter. It wrapped up a lot of story lines and then caught fire! Then I couldn't put it down. And may have introduced a new evil villain!

I enjoyed this book but I figured most of it out midway through the story. It seemed like Maura was very depressing which gave the impression of a dark, lonely tale. However, it was a good mystery and Jane makes up for all the gloom and doom throughout the book.

Loved this book, it kept me guessing until the end. This also provided some more background info on the lives of the two main characters.

Upsetting storyline, but well done by the author. Wonder what's next? Gerritsen is a good writer with lots of various experiences.
