## Synopsis

Dominica 1:50,000 & Saint Lucia 1:40,000 Travel Map, 2013 edition ITMBDouble-sided, very detailed topographic map of two Caribbean islands with contours and street plans of central Roseau and Castries. Each island is placed on one side of the paper. The excellent scale makes the map usable for walking, hiking and cycling (1 inch = 0.79 miles / 0.63 miles respectively). Altitude colouring with some spot heights shows the islands' topography, with protected areas highlighted. Road network indicates dirt tracks and shows locations of petrol stations. Selected hiking trails are also included. Symbols mark various places of interest, including campsites and selected hotels, beaches and diving sites, hot springs, etc. The map is indexed and has latitude and longitude lines at intervals of 2'. The map is annotated with brief notes about various sights and includes street plans of central Roseau and Castries highlighting various facilities. Printed on regular paper, indexed. Dominica and Saint Lucia are popular holiday vacation destinations and cruise ship stopover ports. The two islands, with their rugged volcanic terrain, dominating mountains, and lush pristine rainforests, have a natural beauty that is a prime reason to visit and enjoy their attractions. Legend Includes: Roads by classification, Airports, Beaches, Churches, Museums, Point of Interests, Viewpoints, Golf courses, Campsites, Police Stations, Post Offices, Caves, World Heritage Sites, Hospitals and much more.
