Franklin's Baby Sister

Synopsis

In this Franklin Classic Storybook, our hero is thrilled to learn he'll be a big brother in the spring. He can hardly wait for the new baby, but spring seems a long time away. Franklin does everything he can to make spring come, but nothing happens. Even the seed he planted at school doesn't look like it will ever become a plant. Then, one day, spring finally appears and something very special arrives ... something little and green and absolutely wonderful!

Perfect birthday gift for my grandson who recently welcomed a baby sister into his family.

My son loves this book. He wants to read it over and over. Not only does it talk about waiting for a

new baby, there's a little science lesson about plants growing too. He is now pretending his little boy doll is his baby sister now. So cute!

Cute book. Good price.

Love Franklin Books! My grand daughters favorite books.

Arrived safely. Thanks.

A charming little story as Franklin awaits the the birth of his little sister. I purchased this for my two and a half year old grandson before his sibling arrived. The family enjoyed reading it again and again. They are now loving Franklin books and have bought several more.

Franklin has received some exciting news " he's going to be a big brother in the spring. He's so excited about the new baby, but spring seems to be so long in coming. But, all he has to do is exercise a little patience, and before he knows it...spring is here! This is a great book, one that should be made available to any young person who is soon to become a big brother or sister. The story is interesting and the illustrations are bright and well-done " which will engage the youngster's attention. I liked the story, both suggesting that the older child should be excited about become an older brother or sister, and suggesting patience. I think that this is a great resource, and I highly recommend it to every expectant parent who already has a little one!

Franklin is every young child's friend. They can instantly connect with the young turtle's sense of adventure and enjoy watching him work through familiar problems and solve them in his own way. All of them have been authored by Paulette Bourgeois and illustrated by Brenda Clark. They obviously made a wonderful team, since they have sold over 60 millions copies in over 30 languages. The stories are engaging and the pictures delightful. I love these books!!!
