Bob is a favorite of our neighbors who are German and teaching English to their children through these books.

18 month old grandson loved it

Needs to be hard cover for 2 year old!

My grandson is absolutely taken with Bob the Builder. It is the first book we read when he comes

over.

Bought this as a Valentine's Day gift for my spouse. It was a hit. It really encouraged us both. It's more a documentary style movie. Which we were fine with. You get to see them play some of their worship songs as well as hear some of the band members stories and testimonies. Highly recommend. It was encouraging.
