I'm A Little Teapot! (Baby Board Books)

Synopsis

This award winning series has been specifically designed for babies. A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.

Customer Reviews

We love all of her books. My 14 month old gobbles them up (and has been since he was around 10 months old) and actually my daughter loved them when she was a baby as well. She still loves them at 34 months old. Heck, I love them!

She loves it - she dances when I sing it to her -

sweet read!

My children really enjoyed this book and the quality of it was outstanding, it has definitely taking its

fair share of abuse and has lasted.

Great starter book !

Sweet book. Love reading it to my granddaughter. She loves it as well.

I bought this book because of the hard pages so my 1 year old grandson won't tear the pages. He loves the book. Pictures are cute and we sing the song with the motions together. Delivery was on time.

Where are the signs for the entire rhyme.
