Love the book and so does my little great granddaughter. The book is strong and the pages are too. My great granddaughter did manage to tear one page out ,however, it is a strong book. I will be teaching her to respect books as we go. Love the stories.

This is the most perfect book for a birthday present. We received it as a gift for our first child and have stolen the idea and given it to any child we know turning one since it was so sweet and thoughtful when we got it.

My one year old love this, Good stories, great images. Has five stories and several poems in between. I like the poems; my daughter does not. She does enjoy the stories and the pictures that illustrate them.

Very nice collection of stories that a 1-year old enjoys! Short and colorful, with pages of familiar rhymes mixed in.

So cute! Love the stories and my daughter enjoys it so much!

We used as a guest book at my daughters first birthday! It was a hit!

Very sturdy, good paper quality, and nice layout. Will want to get the Year 2, etc.

Great Grandson's gift on his 1st birthday. I'm sure he loved the book.
