Interesting book, and helpful in identifying the china when we find it in stores and markets.

Great reference book for collectors of Homer Laughlin China

I learned a lot and saw patterns I hadn't seen before.

just what i wanted

Thank you

This is a wonderful reference book. Full size, hard cover, and most of the pictures are in color.

I found this book to be a great reference piece. I have already identified many patterns with it. It is very informative. There are 100's of photo's. I would use this book more for identification than pricing.

Just what I wanted.
