These "prescriptions" will cure discouragement and doubt and dramatically change your life for the better. Dr. Charles L. Allen (1913-2005) was the much-loved author of many books, including the bestselling All Things Are Possible through Prayer.

This was a book that I matured with from the original version by Dr. Charles Allen, given to me for a HS graduation gift. I used it throughout my life in seeking a closer relationship and understanding of God and the Holy Bible. Recently I purchased this one for my granddaughter and hope that she will

find guidance as I did. This is a book for all ages and I still have my original (rather worn from use) copy and will leave it behind when my days are up. For Christians, it is a very clear and plain message of understanding parts of the Holy Scriptures. For non-Christians, you would be wise to read it and make your own evaluation. I pray that you do. Dr. Allen has long passed on but he did some great sermons while he was Pastor at United Methodist Church, Atlanta, GA. You will receive blessings by reading this book.

Charles L. Allen's book, "God's Psychiatry" is literally like a therapist in a book! Many of the Bible passages and the wonderful way Allen explicates them helped me to better understand the meaning behind what had been written in the Bible many centuries ago. Reading this book taught me a new way of allowing myself to believe and have faith, especially when I grew up being ridiculed for wanting to have faith and an inward desire to heal myself with Sunday Mass. Following Mr. Allen's suggestion on reading the 23rd Psalm also works ... and will work even better as you allow yourself to believe more freely! Clear thoughts and strong faith, as I have learned through "God's Psychiatry," can create miracles, let alone changes in your life. This is a book I will definitely be reading a few times over! Believe and keep the faith!

I cannot say how many copies of this book I have purchased. It's wonderful and I've given copies to people needing to be lifted up.

I am a Licensed Professional Counselor. I first bought this book about 15 years ago. I am still buying it and giving it to my clients. My favorite part is the section on The 23 Psalm. It takes the psalm and breaks it into sections and explains what this means to the sheep. It shows the care that the Shepherd, Jesus, takes of His sheep and what effects it has on the sheep. I take the images of the Shepherd and how these actions would make the sheep feel cared for and protected and relaxed and comforted and put them into a mental picture or movie. Then when I am afraid or upset, I recite in my mind the 23 Psalm and picture the green pastures, and the still waters and the valley of the shadow of death where His rod and staff comfort me, and I am able to relax and rest in the assurance that God is in control and He is watching over me. The other sections are very good too. Explaining in laymen's terms what each section means. Very well written and thought out. Excellent book and a great therapy for the mind.

This is a great book, I was introduced to it by my mother and I am sure that between the two of us

we have brought well over 150 of these books because when we buy them for ourselves we find someone else that this book can help. I have even used it to do a Summer Revival 3 different times over the last 20 years, and people have ask me for the book (mine) or where they can find it for purchase. My mom is gone now but I still have continued to give my book to someone that needed more than my self. Of the three that I ordered this last time I have already given one of them to a fellow minister, and I do it with joy!! thank you for making it easy to get this book!!! I suggest this book to all that have or that are going through a storm in their life.

Some of this is out-dated (written in the 1950's), but the Biblical truths are timeless!

Love this book. I by several at a time and hand them out to my friends and family whenever they're going through a struggle. Book came in new perfect condition

THIS IS MY FAVORITE BOOK OVER THE YEARS TO GIVE OUT TO SICK PEOPLE. the four parts of the Book are well known to all peoples, and they will read them and receive strength from the Lord. I have given dozens of copies over the years. This last time I ordered from you, I was leading a group, and since then, many have decided that they too want to purchase their own copies. I told them was the only place that I could find to get it, and the delivery was exceptional.
