Customer Reviews

Another good book from a famous auther and checker player. If you like checkers problems then this book is for you. You will win a lots of games if you know the second problem. How to change guard. For Example: Black 1 King 3 White 31 King 11; Terms: white to play and win. The first move is 31-26. Your single man will replace your king holding the black king. Highly recommend getting this book.

for my family , fast shipping. These shears are very durable and made of high quality material. Nice and valuable. It cuts slices as thick or as thin as I want with no crumbs-a nice clean cut. I am completely satisfied with it and am happy to have a slot in my product block that it just fits in.
