Customer Reviews

Emma Dodd was brought up in a family of artists, and from as far back as she can remember she has wanted to be an illustrator. She has worked extensively in advertising, editorial, and book illustration. Among Emma's favorite things in life are surfing with her kids, punctuality, and Scrabble. Things she cannot abide include heights, patting, and children who complain that they are bored. "How can you ever be bored," she says, "when you can always draw a picture?"

Loved sharing this with my six month old daughter at bedtime. The foil accents on many of the illustrations caught her eyes, and she seemed to enjoy looking at the sea otters. I loved the illustrations too! The gentle rhyming story is very sweet, and I have to echo the previous reviewer's sentiment about tearing up while reading it together. I will be recommending this to friends and checking out the other Emma Dodd books in this series!

This book was given to our grandson a very beautifully produced book to present a heartfelt story that conveys the bond between parent/ care giver and child. I very much recommend this book which costs about the same as when I purchased it in November 2016. Together (Emma Dodd's Love You Books)

This is my daughter's favorite book. It is "well loved" so I ordered a new one this week. It is written beautifully and the illustrations are amazing!! It's gender neutral and would make a perfect gift for babies or small kids. I have it memorized but I still love looking at the beautiful pictures.

This book has shiny foil accents on every page. I was not expecting that and it was a nice surprise. The pages aren't cardboard so you might not want to just let the little one run off with it.

This book was a gift, but I hear it is read every night!

This is so cute! I want to buy all the other ones too!

Nice book, sweet story with beautiful illustrations.

Beautiful book
