The Hollow

Synopsis

Designed to match the new look Hercule Poirot series. Read by Hugh Fraser who plays Captain Hastings in the popular TV series. Lucy Angkatell invited Hercule Poirot to lunch. To tease the great detective, her guests stage a mock murder beside the swimming pool. Unfortunately, the victim plays the scene for real. As his blood drips into the water, John Christow gasps one final word: 'Henrietta'. In the confusion, a gun sinks to the bottom of the pool. Poirot's enquiries reveal a complex web of romantic attachments. It seems everyone in the drama is a suspect - and each a victim of love.

"A grade-A plot - the best Christie in years" San Francisco Chronicle

Agatha Christie was born in Torquay in 1890 and became, quite simply, the best-selling novelist in history. Her first novel, *The Mysterious Affair at Styles*, written towards the end of the First World War, introduced us to Hercule Poirot, who was to become the most popular detective in crime fiction since Sherlock Holmes. She is known throughout the world as the Queen of Crime. Her books have sold over a billion copies in the English language and another billion in over 100 foreign languages. She is the author of 80 crime novels and short story collections, 19 plays, and six novels under the name of Mary Westmacott.

A clever way to group together short stories. I find a lot of Ms. Christie's endings unrealistic, but I

love the way she writes people. I own several of her audiobooks, and this is a good addition to the collection.

Fast shipping. Great book.

I took this off of my list because the price is listed as \$999.99 - if that's not the price please let me know. Thanks.
